

To: Intermountain Healthcare & SCL Health Suppliers
From: Allison P. Corry, Vice President and Chief Supply Chain Officer
Date: April 1, 2022
Subject: Intermountain Healthcare & SCL Health Announce Official Merge

On April 1, 2022, we officially merged Intermountain Healthcare and SCL Health into a single organization, which will be known as Intermountain Healthcare. The planned merger of our two organizations was originally announced in September 2021. The organization will be based out of Salt Lake City, Utah, and maintains its non-profit status.

As we announce the news, we wanted to share important information with you to ensure there is no disruption to our ongoing operations and our supplier partnerships. Please see the updates below for more detail:

- There are no immediate changes to contracts.* We are excited to partner with you on our combined purchasing power and efficiency that it will bring to the supplier community. We will be in touch as we move further along in planning for contract consolidation.
- You will continue to work with your respective Supply Chain contacts at Intermountain Healthcare and/or SCL Health.
- Please continue to issue invoices following the same processes you have in the past. If there are any process changes, updates will be shared as they are finalized.
- As a part of the integration process, which we expect will take place over a 2-year period, we will be reviewing contracts, processes and platforms to plan for alignment across the new organization. Again, we will share updates with you as we have them.

Thank you for your ongoing partnership - it has contributed to the strength and success of both legacy organizations. We look forward to continuing to work with you as we ensure our shared legacies of strength, accessibility and affordability in healthcare are carried through to the new organization. Please do not hesitate to reach out to your main point of contact at either Intermountain Healthcare or SCL Health with questions.

A handwritten signature in black ink that reads "Allison P. Corry".

Allison P. Corry
Chief Supply Chain Officer

**If a contract stipulates that contract changes, reviews or approvals are required due to merger and/or acquisition activity, we will address these changes on an individual basis. We will be reaching out to suppliers with contracts that meet this criteria. If you have immediate questions about your contract language, please reach out to your main contact at Intermountain Healthcare or SCL Health.*
